

CALL FOR WORKSHOP PROPOSALS

The workshop aims to highlight the research and practice advancements, foster communications, exchange new findings, and stimulate discussions on future challenges and opportunities in the field of biomedical engineering and technology. The workshop will be carried out in conjunction with the IEEE-EMBS Conference on Biomedical Engineering and Sciences (IECBES 2024).

The workshop will provide a great opportunity for the participants to enhance their knowledge of a specific topic. The workshop organizers could be industrials, practitioners, or researchers. The workshops are defined as either full-day or half-day, with a minimum of 15 participants.

IMPORTANT DATES

Proposal Submission Deadline : **August 1st, 2024**

Notification of Proposal Acceptance : **August 31st, 2024**

GUIDELINES FOR WORKSHOP PROPOSAL

You are invited to submit a proposal with the following contents:

- Title of the workshop
- Name and contact information of the proposer(s)
- Length of the workshop (full or half day)
- A statement of the goals and motivation for the workshop
- An outline of the workshop (scope and topics)
- Requirement for the workshop (e.g. laptops, MATLAB etc.)
- A short description of the target audience
- A short biography of the speakers

All workshop proposals should be submitted to info@iecbes.org
